

LODGE EXCELLENCE AWARD Recognition Application

The Lodge Excellence Award, established in 1977 as the Grand Master's Achievement Award to aid lodges in planning a vibrant and successful slate of activities, will continue to recognize Lodges who earn outstanding achievement in meeting threshold levels of activity.

A point system has been established to record your lodge's activities in three sections, Lodge Education & Growth, Lodge Programs & Activities, and Community Service by the Lodge. Lodges achieving threshold scores will be recognized for their accomplishments.

We encourage you to plan your year with the programs suggested in this application, and at the end of your year, to complete this application to receive your earned recognition, documenting your qualified activities from January 1 to December 31.

This completed application must be turned in to your District Deputy no later than Feb. 15. District Deputies may be found in the Wisconsin Masonic Journal, www.wisc-freemasonry.org, or by calling Grand Lodge at 1-262-965-2200.
