

## **Worksheet for Prioritizing Events and Programs**

Goal/Program	Impact	Effort/Cost	Rating or Score
In this column list the program/event being considered.	Rate with a "1", "2", or "3". "1" being very low impact and "3" being very high impact.	Rate with a "1", "2", or "3". "1" being very <b>high</b> effort/cost and "3" being very <b>low</b> effort/cost.	For scoring, multiply the impact rating times the effort/cost rating. A high score designates a good program. A low score might not be a good event/program to have.
